

International Compliance Expert

International Compliance Expert (ICE), developed by Orbitax with support from IBFD, delivers all the international tax compliance tools you need for your multinational company and your advisors.

This full-feature software tool includes tax rate look-up tables, domestic and international checklists of compliance issues and all the relevant corporate tax return forms, translated into English, for more than 75 countries around the world. Only ICE provides you with complete information to meet the compliance obligations that a multinational company has to deal with, locally and internationally.

Features include

- Display of domestic statutory corporate income tax rates for meeting compliance requirements including local taxes and, surtaxes.
- Compliance checklists that provide key country tax compliance facts including filing requirements, interest and penalties on late and incorrect returns, statutes of limitations, refunds, etc.
- International anti avoidance checklists with data on transfer pricing, CFC rules and thin capitalization rules compliance
- A compare feature that allows compliance rules to be compared across jurisdictions
- Key corporate tax return forms translated into English including a side by side comparison of the original language and translated versions.
- Ability to upload any PDF form and obtain an unofficial translation in English or in several other languages
- A comprehensive listing of all global tax administration sites to enable user access to underlying data sources directly from the source
- Optional links to IBFD regional analysis
